Product sheet

VALENA LIFE LEGRAND

Connected power outlet (Schuko standard) Valena Life with Netatmo

REF. 752394 | EAN. 3414971155114

> Visit e-catalogue

Product charateristics

- LED indicator with locator function which can be activated in the app
- Compatible with any electrical appliance or large household appliance
- Measures instantaneous and total electricity consumption
- Protects against overloads (16 A maximum) Schuko standard
- Alu

Recommendation / Restriction

- To add a power outlet to your connected installation, you first need to purchase and install a Valena Life with Netatmo connected starter pack. To control your power outlet, you need to pair one or more Valena Life with Netatmo wireless switches with it

The product's benefits

Installation

- The Valena Life with Netatmo connected power outlet is easily installed in place of an existing flush-mounting power outlet and needs a standard-depthflush-mounting box (40 mm). Compatible with claw-fixing boxes.

Usage

- Voice control of your lights and electrical appliances via a voice assistant (Apple Siri, Amazon Alexa, Google Assistant)

Avantages

- When associated to the connected starter pack, the Valena Life with Netatmo products can be controlled manually or remotely from your smartphone or via voice control.
- Easy to be used as controled power outlet by pairing with wireless light control.
