Smart Outdoor Camera with Siren

REF. NA-NOC-S-PRO | EAN. 3700730503754

> [Visit e-catalogue](#)

Product characteristics

- Customised notifications : provide peace of mind in real time
- A 105 - dB alarm to deter intruders
- Free upgrades, with no subscription
- A camera combined with a smart lighting system
- No more unnecessary alerts

The product's benefits

Installation

- The Camera can be easily installed as an outdoor light. Its 100-240V power range means the Camera can be installed by replacing an existing outdoor light

Usage

- Sends real-time alerts and deters intruders

Avantages

- The Outdoor Camera sends real-time alerts to the smartphone if it detects a person or vehicle on the property. It can tell the difference between a person, animal, car or a harmless movement
- If a person or vehicle enters the property, an alert with a video is immediately sent to the smartphone. Is it an intruder? By triggering the siren and its powerful 105-dB alarm directly from the app, the intruder will flee
- If there is an alert, the light will turn on and could deter an intruder. It can be manually activated through the app or set to turn on automatically
