LEGRAND

Frame 42U with cable management on the left

REF. C44001 | EAN. 3414972356398

[> Visit e-catalogue](#)

Product characteristics

- Height 42U, HxWxD(mm) = 2050 x 900 x 400
- Cabling can be fed into the frame from the bottom as well as from the top
- Cable management on the left with letter marking to spot storage and facilitate cord management. Patch management compartment with 14 stubs (12x panel side + 2x central)
- Double door at the front with handle, closed sides and rear wall
- Powdercoating RAL 7047

Recommendation / Restriction

- The ODF frames offer optimized patch management, especially designed for high density applications. Even with more than 4,000 patches in an ODF frame, this allows the patches to be ranked in a structured way.
